

### KingJoshCity2 Owners Manual

Even though nobody asked for it, here it is! KingJoshCity2 is finally done! The first one was hated due to a large download size, so the point of KingJoshCity2 was to make the largest playable UT99 urban map of all time while maintaining a reasonable download size.

**Map Thesis and usage rights:** This map can be useful to test vehicle mods, battle royale style mods and other things that might require a large map. Feel free to remix this map in anyway you see fit and release it without any need to contact me.

### Notable places to visit in KingJoshCity2:

The 2d shopping mall

The Medieval Zone

The Spectator Area

The Casino
